

9 July 1958

SUBJECT: Equipment List Y-E-X, FAK Spares for "E" Rack
TO: Contracting Officer

Reference letter dated 15 May 1958, CMCC Doc. No. 151x5.1106, which proposed the revised Equipment List Y-E-X, flyaway kit spares for the three-channel data reduction "E" rack. This revised FAK listing has been reviewed by the FOG depot and is approved as submitted.

It is requested that Ramo-Wooldridge be authorized under Contract No. A-101 to provide twelve complete sets of FAK spares to Customer No. 3 in accordance with Equipment List Y-E-X. The total cost for twelve lists is estimated at \$4,392.72.
